Hi Claire,

We were aware of the resolve to round to the nearest 5 so Plymtree is happy for you to recommend a figure of 15.

Thanks,

Bill.

Dear Bill

Thank you for your e.mail. Our LDF Panel Members resolved that all figures should be rounded to the nearest 5 so I propose to recommend to the Council that a figure of 15 is included for Plymtree. Would this be acceptable?

Thanks

Claire

Subject: Plymtree Parish Council - Village Questionnaire

Dear Claire,

Following on from email correspondence I had with Matt Dickins in mid October, I am now able to inform you that as a result of our village questionnaire the number of houses people would wish to see built in Plymtree over the next 16 years is 13. Please enter this figure into your database.

For your information we delivered the questionnaire to 477 people on the Parish Electoral Roll and received 312 responses (65.4%).

We will be analysing the answers to other questions on the survey, including written comments, over the few weeks as we move towards developing a Village Design Statement and Neighbourhood Plan.

Thanks and regards,

Bill Luttmann

Plymtree Parish Clerk.
