

Item 11

Dear Hannah,

Regarding your recent email containing the details and issues of the 'Local Development Framework' the Parish council have debated these matters at great length and their decision is as follows:- 'Southleigh Parish Council would consider a maximum of six houses in the form of small family units where the Parish Council would have total control as to the occupants.'

Please let me know if this email will suffice or whether you would require written confirmation of this decision in letter form.

Yours sincerely,
Pat Newbery.
Clerk, Southleigh Parish Council.
