**Subject:** Re: Review of the East Devon Area of Special Control of Advertisements

CPC wishes to comment on the consultation on the proposed changes to Colyton you wish to make to the area covered by the East Devon Area of Special Control on Advertisement

**At the CPC meeting last night the Councillors unanimously voted for the current restrictions imposed by the ASCA to remain in place which maintains the status quo and means the whole town is kept in the ASCA.**

Regards,

Liz Berry

Parish Clerk
