Dear Planning Policy Team,

Thank you for providing Highways England with the opportunity to comment on your draft Affordable Housing SPD, which will support the policies within the Adopted Local Plan.

Having reviewed the draft document, I can confirm that we have no specific comments to make in respect of the guidance and advice on implementing Local Plan policies on affordable housing.

These comments do not prejudice any future responses Highways England may make on site specific applications as they come forward through the planning process, and which will be considered by us on their merits under the appropriate policy at the time.

Kind regards,

Sally
