Re Draft Planning Proposal Sites LP Exmo 08 &16

Dear Sir or Madam

I am writing to voice my opposition and concern at the proposed development site as above.

Not only would this lead to the destruction of prime agricultural land in an area of outstanding beauty but it would lead to a serious increase in road traffic in an already overused road system.

Littleham is a lovely village which already has a huge amount of traffic in the summer months.

The proposed development will make it a complete misery for residents.

I hope that the council will help preserve this ancient village.

Yours sincerely

Dr Sheilagh Cronin
