

Hello Huw

The Inspector has agreed for you to attend the Exmouth hearing session but has asked me to inform you that the Council's decision to grant planning permission for development at Plumb Park will not be reviewed at the hearing. The planning application/permission process is a separate system and lies outside the remit of the examination.

Kind regards

Amanda

Dear Amanda I request to participate and would like to discuss regarding plumb park why it was clear in the planning which I attended that sustainability criteria was not properly being met both in regard to this development and as a general principle in the document which eddc have been told they have to consult on. Thanks Huw

Hello Huw

I note that you have made a 'written' representation. Although you have every right to attend the hearing you will not be able to participate unless you request to do so and inform me of this, as well stating the issues you wish to address.

Kind regards
