Dear Mr Dickins,

Thank you for your letter of 22 May April. The contents and timetable are very useful. I appreciate that much will depend on the timing and the findings of the Strategic Housing Market Assessment (SHMA) but I will endeavour to assist as far as is appropriate and possible to enable us to reconvene in October or November (I am unable to return any earlier).

I agree that, if possible, we should work towards dealing with all outstanding matters in one set of hearings. Although October/November are some time away it might be worth giving some thought to securing a suitable venue.

I look forward to hearing of your progress.

Yours faithfully

A Thickett

Inspector
