East Devon Local Plan 2006 - 2026 - consultation response

I am emailing to advise that Beer Parish Council has reviewed the draft Local Plan and is supportive of the document.

In September 2011, following local consultation, Beer Parish Council submitted a contribution to the LDF process. At this stage, Councillors have nothing further to add to this written contribution.

Beer Parish Council is keen to produce a Neighbourhood Plan in the near future.

Regards

Annie Dallaway
Clerk to Beer Parish Council
