Where a Parish Council applies for the whole Parish to be designated as a neighbourhood area we must designate it and it does not need to be advertised.

If a different area is applied for then we must, as local planning authority, publicise the following on our website and in any other manner that we consider is likely to bring the application to the attention of people who live, work or carry out business in the area to which it relates -

- (a) a copy of the area application;
- (b) details of how to make representations; and
- (c) the date by which those representations must be received, being not less than 6 weeks from the date on which the area application is first publicised.

To help us meet these requirements:

Are we able to publicise the application in any widely available local newsletters/magazines? If so, please give contact details and advise how often the newsletter/magazine is published.

Do you have Parish Noticeboards? If so, please give contact details of the person responsible for their content.

Are there any other means of communication which could be used to advertise the proposals eg local website, social media, local interest groups? Please provide contact details.

Publicising designation of a neighbourhood area

As soon as possible **after designating a neighbourhood area**, we must publish the following on our website and in any other manner that we consider is likely to bring the application to the attention of people who live, work or carry out business in the area:

- (a) the name of the neighbourhood area; (b) a map which identifies the area; and
- (c) the name of the relevant body who applied for the designation.

If we **refuse to designate a neighbourhood area**, we must publish the following on our website and in any other manner that we consider is likely to bring the application to the attention of people who live, work or carry out business in the area

- (a) a document setting out the decision and a statement of our reasons for making that decision ("the decision document"); and
- (b) details of where and when the decision document may be inspected.
