<p>Thank you for consulting the AONB Partnership on this Plan.</p> <p>The plan steering group should be commended for a document that is clearly written and presented. The landscape aspects of the plan are well evidenced and it is particularly pleasing to see the direct referencing and assimilation of the LCA guidelines into its contents.</p> <p>There are challenges identified in the parish that relate to its setting alongside the river and its coastal proximity and these are explored and addressed well. We look forward to playing our part in enabling the plan's overall aims to be met over the plan period.</p> <p>It may be considered of value to review the village Design Statement following this plan being made, in which case it may be worth bracketing or removing the date reference to this in the plan documents.</p>
