Subject: Farringdon Neighbourhood Plan Submission Version - Highways England Response

Dear Angela,

Thank you for providing Highways England with the opportunity to comment on submission version of the Farringdon Neighbourhood Plan. Highways England is responsible for operating, maintaining and improving the Strategic Road Network (SRN) which in East Devon comprises the A30, M5 and A35, with the north of the Neighbourhood Plan area bordering the A30. We previously provided comments on the pre-submission version in April 2020.

We have reviewed the submission draft of the Neighbourhood Plan and remain satisfied that the plan's proposed policies are unlikely to impact on the safe and efficient operation of our network and we therefore have no specific comments to make.

This response does not however prejudice any future responses Highways England may make on site specific applications as they come forward through the planning process, and which will be considered by us on their merits under the prevailing policy at the time.

Kind regards,

Sally
