Question 1

To which section of the Neighbourhood Plan does this representation relate?

Please state in the box below, the point of reference for your representation (this means the policy, paragraph or other reference no. if appropriate)

Policy Farr6 Existing Business and Commercial Areas

Question 2

Please use the box below to explain why you are supporting or objecting to this part of the plan. If your comment relates to a specific area of land or site please identify it on a map if possible. Continue on a separate sheet if necessary.

I strongly support this portion of the Farringdon NP to restrict any further growth and development of (9.2) *Hill Barton Industrial Park* and (9.4) *Waldron's Farm* [see Map 5 on page 26].

Hill Barton is provided planning permission from *both DCC and EDDC*, and in addition to the cumulative impact these granted permits have inflicted on the community, it also makes it quite challenging for the appropriate bodies to monitor and regulate in accordance to the existing planning.

In Policy Farr 6, the Farringdon NP is primarily safeguarding against future development that is likely to result in *unacceptable* risks and living conditions for local residents, visitors, neighbouring land/villages along with wildlife and its habitats.

Aside from the fact that we are all dealing with more life stresses, especially now in the midst of a global pandemic and climate change emergency, I find it very sad that it takes the Parish to have to fight against the adverse effects of noise, air/light pollution to protect our amenity, health, well-being and the natural environment but we are doing what we need to protect a lovely rural community we call home. With changes occurring and more WFH individuals we need to ensure we can enjoy a tranquil and safe village environment and protect it for our future generations.

I also support the whole Farringdon NP on housing policy and other areas.

Question 3

Please use the box below to say what changes would you suggest should be made to the plan?

It will be helpful if you are able to put forward your suggested revised wording of any policy or text or suggested alternative policy boundary. Please be as precise as possible and continue on a separate sheet if necessary

11.10 Public Rights of Way [Page 35 – Map 8]

The NP mentions 2 Public Rights of Way (footpaths) in Farringdon; however, these may be questionable and would seek further information regarding public access due to the following:

- 1) the path off the B3184 over to Perkins Village was pad-locked sometime Summer 2020 (NB I rang DCC in Sept and have yet to receive a response).
- 2) the footpath off Farringdon Cross is overgrown and with no clear marking or exit but appears to pass directly through the gypsy site.

Separately, a few years ago, there was a (3rd) Public Right of Way footpath which started in a field on Spain Lane just off Farringdon Cross. This was a shortcut which allowed one to walk off of the road (Parsonage Lane) to the B3052. I am only mentioning this as it seemed to just vanish but was very helpful for providing safety for pedestrians off the busy lane.

Question 4

If your representation is seeking a change to the Plan, do you consider it necessary to speak at the examination?

Please note if you select No your representation(s) will still be fully considered by the independent Planning Inspector by way of written representations.

Please delete as appropriate:

- No, I do not wish to speak at the examination.

If you answered yes above and wish to speak at the examination, please outline in the box below, why you consider this to be necessary:

n/a

Please note this will not be regarded as a binding decision but will help us in our planning of the examination. The Inspector will ultimately determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in the examination. If the Examiner does not consider it necessary to hold a public examination consideration will be given by way of written representations.

Future Correspondence

Please indicate by deleting yes or no as appropriate, whether you wish to be notified of:

1. The publication of the recommendations of any person appointed to carry out an independent examination of the Farringdon Neighbourhood Plan? **Yes**
2. The adoption of the Farringdon Neighbourhood Plan? **Yes**
