Dear Mr Hogger

Farringdon Neighbourhood Plan – Response to Questions

I refer to your letter dated 11th November setting out your initial questions for both East Devon District Council and Farringdon Parish Council on the above Neighbourhood Plan. I am pleased to attach a combined schedule that sets out both organisation's formal responses.

I can advise that the District and Parish Council have been in liaison in respect of the responses to the questions, but that the responses from each organisation have been independently made and agreed, except for the 2 questions to which a jointly agreed response was sought. The responses to all questions have been combined into one schedule for ease of reference.

I hope this provides the information you need. We look forward to hearing from you in due course.

Yours sincerely
