- The attention of candidates and electors is drawn to the rules for filling up nomination papers and provisions relating to nomination papers contained the election rules in Schedule 2 to the Local Election (Parishes and Communities) Rules 2006.
- Where a candidate is commonly known by some title they may be described by their title as if it were their surname.
- Where a candidate commonly uses a name which is different from any other name they have, the commonly used name may also appear on the nomination paper, but if it does so, the commonly used name (instead of any other name) will appear on the ballot paper.
- But the ballot paper will show the other name if the Returning Officer thinks that the use of the commonly used name may
  - be likely to mislead or confuse electors, or
  - that the commonly used name is obscene or offensive.
- An elector may not -
  - subscribe more nomination papers than there are vacancies to be filled in the electoral area in which the election is held; or
  - subscribe a nomination paper for more than one ward in a parish or community divided into wards.
- In this form 'elector' -
  - means a person who is registered in the register of local government electors for the Ward in question on the last day for the publication of notice of election; and
  - includes a person then shown in the register as below voting age if (but only if) it appears from the register that he will be of voting age on the day fixed for the poll.
- However, a person who has an anonymous entry in the register of local government electors cannot nominate a candidate for election.

### Examples of how to report expenditure in part 2

If a candidate's election agent ordered and paid for 1,000 A4 leaflets from Printers R' Us during the regulated period at a cost of £350 the expenditure would be recorded in part 2 as follows:

Column heading	Information provided
Item No.	1
Purpose (A-F)	B
Receipt or invoice submitted?	Yes
Item/service	Printing of 1,000 A4 leaflets
Name of supplier (and address if applicable)	Printers'r'us
Name of person who made payment	Mr J Bloggs
Date expense incurred	13/04/2007
Date receipt received	20/04/2007
Date expense paid	06/05/2007
Value of item	£350.00
Amount paid (if different)	N/A
Unpaid or disputed?	No

<sup>1</sup> The item number for the first payment reported should be '1' and then items should be numbered consecutively from there. Item numbers are needed to allow cross-referencing with sections 1(a) and 1(e) of the return and with supporting invoices/ receipts.

<sup>2</sup> For all unpaid claims, attach a separate sheet with the name of the court to which an application for payment has been or will be made and the date of the application. For all disputed claims, attach a separate sheet giving the nature of the dispute and the action to be taken.

A candidate uses a printer cartridge originally bought for business purposes to print large numbers of posters to be posted around the constituency. The cartridge was originally bought for £22.99. The candidate estimates that half the cartridge has been used printing election materials and as such considers the proportion of value of the cartridge used for the purposes of the election as £11.50. This expenditure would be recorded in part 2 as follows:

Column heading	Information provided
Item No.	2
Purpose (A-F)	A
Receipt or invoice submitted?	No
Item/service	Printer cartridge
Name of supplier (and address if applicable)	The Print Warehouse Small Street, Big Town.
Name of person who made payment	N/A
Date expense incurred	3 February 2007
Date receipt received	N/A
Date expense paid	N/A
Value of item	£11.50
Amount paid (if different)	N/A
Unpaid or disputed?	No

If a candidate uses a supporter's business premises as a campaign office for a month they will need to estimate the value of notional expenditure. During the month they spend 4 days a week (16 days in total) in the office working on their election campaign. The agent gets two commercial quotes and determines that the commercial letting rate of a similar office would be £550 per month. As such they estimate that the value of expenditure incurred is £275. This would be recorded in part 2 as follows:

Column heading	Information provided
Item No.	3
Purpose (A-F)	F
Receipt or invoice submitted?	No
Item/service	Use of office (16 days)
Name of supplier (and address if applicable)	N/A
Name of person who made payment	N/A
Date expense incurred	1 April 2007 – 3 May 2007
Date receipt received	N/A
Date expense paid	N/A
Value of item	£275
Amount paid (if different)	Nil
Unpaid or disputed?	None

In this example the value of notional expenditure would need to be included in the 'notional expenditure' box in section 1(a) and a £275 donation from the supporter would need to be reported in part 4 of the return.

Please note: For all items over £20 other than notional expenditure, an invoice or receipt must be submitted in support. Each invoice or receipt submitted should be marked with the relevant item number.

### Part 3: Expenditure for which a return is required under Section 75

Here you must provide details of any items of expenditure reported within the candidate's expenses return for which a return is also required to be submitted under Section 75 of the Representation of the People Act 1983 (i.e. expenditure other than petty expenditure incurred by a person authorised in writing by the election agent).

For each relevant item of expenditure you will need to provide details of:

17. the item number (as reported in part 2)
18. the amount
19. the name of the person who incurred the expense

### Part 4: Donations

#### **4(a): Money provided by the candidate to meet election expenses**

In this section, record the amount of money (if any) provided by the candidate from their own resources for the purpose of meeting their election expenses. If no money has been provided, the word 'nil' should be recorded.

#### **4(b): Total value of donations up to £50**

In this section, record the total value of all donations received that were up to £50 in value. No further details are required about the sources of these donations.

#### **4(c): Permissible donations of over £50**

For each donation accepted by or on behalf of the candidate, provide the following details:

20. the full name, registered address and status (e.g. individual, company, political party, trade union) of the donor
21. the date the donation was received and the date on which it was accepted
22. the amount (for a cash donation) or value and nature (for a non-cash donation)
23. in the case of a registered company the company registration number

Additionally, for a donation from a trust the following information must be provided.

In the case of a trust created before 27 July 1999, to which no property has been transferred since that date and whose terms have not been varied since that date, should provide:

24. the date the trust was created
25. the full name of the person who created the trust
26. the full name of every other person that transferred property to the trust before 27 July 1999

In the case of a trust created by a permissible donor and to which all other transfers have been made by a permissible donor, the details for a pre-1999 trust should be provided including the address of the trust's creator and all other people who have transferred property to the trust (including by bequest) and the company registration number for any company that created or transferred property to the trust.

#### **4(d) Unidentifiable and other impermissible donations received**

For each unidentifiable or otherwise impermissible donation received by or on behalf of the candidate, please provide the following details:

27. for an unidentifiable donor the manner in which the donation was made
28. for any other impermissible donor the name and address of the donor
29. the amount or value and nature of the donation
30. the date of receipt of the donation, and the date when and manner in which the donation was returned

# Guidance for persons or organisations incurring authorised expenditure under section 75 of the 1983 act

**Electoral Area:** Newton Poppleford (Harpford) Ward

**Date of Election:** Thursday 24 June 2021

**Date of Publication of Notice of Election:** Wednesday 19 May 2021

Under section 75 of the Representation of the People Act 1983 (RPA) any individual or organisation authorised by a candidate's election agent can incur expenditure on the candidate's behalf. Any expenditure incurred in agreement with the candidate or his election agent must be treated as candidate's election expenses, and should be reported to the relevant officer. This applies at parliamentary and local government elections, but not at parish and community elections.

The following note provides guidance on the legislative requirements for those incurring authorised expenditure.

**Important:** this guidance does not apply to expenditure incurred to promote or disparage a candidate's electoral prospects by an individual or organisation, where such expenditure is incurred independently and without the candidate's prior knowledge or consent. Such third party expenditure does **not** constitute a candidate's election expense and does not need to be reported to the relevant officer. It is however subject to certain controls and limits.

## Authorised expenditure

Under section 75 any association, body or individual **authorised in writing by a candidate's election agent** may incur expenditure on account of:

1. holding public meetings or organising any public display; or
2. issuing advertisements, circulars or publications; or
3. otherwise presenting to the electors the candidate or his views or the extent or nature of his backing or disparaging of another candidate.

These controls do not apply to the publication of any matter relating to the election in:

4. a newspaper or other periodical;
5. a broadcast made by the BBC or SPC;
6. a programme included in any service by a licensed independent radio or TV operator.

## Section 75 return and declaration

Any person or organisation who incurs expenditure as described above must, **within 21 days after the day the result of election is declared**, submit to the relevant officer a return of the amount of those expenses, stating the election at which, and the candidate in whose support they were incurred.

The return must also be accompanied by a declaration by the person (or an appropriate member of the organisation) who incurred the expenditure verifying the return.

The format of both the return and the declaration are prescribed under the RPA. Copies will be available from the relevant officer, and versions of the forms are available on the Commission's website.

Please note: this requirement does not apply to any person engaged or employed for payment or promise of payment by a candidate or his election agent.

## Completing a section 75 return

The following details must be provided when completing a section 75 return:

7. the constituency or local government area at which the candidate is standing for election;
8. the date of publication of notice of the election;
9. the name of the person who authorised the expenditure to be incurred (i.e. the election agent);
10. the name of the person on whose behalf the expenditure was incurred (i.e. the candidate);
11. the name of the individual or organisation who incurred the expenditure;
12. the amount of expenditure incurred.

The return then must be signed and dated by the person or an appropriate member of the organisation who incurred the expenditure.

The election agent's written authorisation must be attached to the return on submission.

## Completing a section 75 declaration

The following details must be provided when completing a section 75 declaration:

13. the constituency or local government area at which the candidate is standing for election;
14. the date of publication of notice of the election;
15. the name of the candidate;
16. the name of the election agent;
17. the matter for which the expenses referred to in the return were incurred.

The return then must be signed and dated by the person or an appropriate member of the organisation who incurred the expenditure. In the case of an association or body details of the office held by the person signing the declaration must be also be provided.

## Reporting section 75 expenditure within a candidate's election expenses return

Expenditure for which a section 75 return is required to be submitted constitutes candidates' election expenditure. As such it **must also be included in a candidate's election expenses return**.

Expenditure authorised and incurred as described in this section should be reported within a candidate's return in the same way as any other item of expenditure and then also referred to under a separate heading. Guidance on the completion of candidates' election expenses returns is available on the Commission's website.
