Subject: New local Plan 2021 - 2040

Dear Sir, Madam

I am writing to you on behalf of my mother, Mary Strouts, whose main residence is at [REDACTED] Lympstone [REDACTED], located at the heart of the village.

We understand that the local plan will be revised.

We understand that our garden was excluded from the built-up area in the current plan. When looking at the plan, this appears to be a very odd decision, especially considering a new house was built a few years back, facing our garden on the other side of the railway track.

We would like to request that our garden is included in the built-up area for the new plan. We understand that this would reply to the urgent need for new small housing, located close to facilities and services, with the train station and village centre shops a stone's throw away.

We would very much like to hear back from you.

With kind regards.

Yours faithfully,

Gerald Strouts
