Question 1

To which section of the Neighbourhood Plan does this representation relate?

Please state in the box below, the point of reference for your representation (this means the policy, paragraph number or other reference as appropriate)

10. Transport and travel
11. Community and recreation facilities

Question 2

Please use the box below to explain why you are supporting or objecting to this part of the plan. If your comment relates to a specific area of land or site please identify it on a map if possible. Continue on a separate sheet if necessary.

Approved aims and objectives, approved in September 2017 included the aim 'Improve road safety in the Parish'. This included 'Support better parking and pick-up arrangements for schools'. It is highlighted within the document a number of times that the bus drop-offs and pick-ups combined with the lack of adequate pavements causes a significant problem. No solution or objective to address this has been included. It is stated "10.6.....The loss of countryside for additional school parking, car or coach parking and / or drop-off / pick-up space is not a solution that has community support." The provision of some kind of parking or specific space is the only way in which the school would anticipate solving this issue.

Policy no. Coly18 - Supporting

Safeguarding for existing use and enhancement and improvement of sports facilities. The School wish to replace the current all weather pitch and current lights. This is necessary before this facility becomes unusable due to health and safety. It is estimated that the usable life left of this facility is currently 12 to 18 months. All floodlighting would be LED and angled so there would be no disturbance to neighbouring residential properties.

Question 3

Please use the box below to say what changes you would suggest should be made to the plan?

It will be helpful if you are able to put forward your suggested revised wording of any policy or text or suggested alternative policy boundary as appropriate. Please be as precise as possible and continue on a separate sheet if necessary.

11.5..... Although public access has been much reduced in recent times because of school demands.

The school would like to note that this reduction in public access has been due to the wellbeing of students and the school's legal responsibilities regarding safeguarding. Members of the public using the sports hall and facilities cannot be on the school site at the same time as students.

Question 4

If your representation is seeking a change to the Plan, do you consider it necessary to speak at the examination?

Please note if you select 'No' your representation(s) will still be fully considered by the independent Planning Inspector by way of written representations.

Please select as appropriate:

- No, I do not wish to speak at the examination
- Yes, I wish to speak at the examination

If you have answered yes above and wish to speak at the examination, please outline in the box below why you consider this to be necessary:

Please note this will not be regarded as a binding decision but will help us in our planning of the examination. The Inspector will ultimately determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in the examination. If the Examiner does not consider it necessary to hold a public examination, consideration will be given by way of written representations.

Future Correspondence

Please indicate by selecting yes or no as appropriate, whether you wish to be notified of:

1. The publication of the recommendations of any person appointed to carry out an independent examination of the Colyton Neighbourhood Plan? Yes No
