Subject: Colyton Neighbourhood Plan - Regulation 16 Consultation - Highways England response

Categories: Colyton NP

Dear Planning Policy Team,

Thank you for providing Highways England with the opportunity to comment on the submission draft of the Colyton Neighbourhood Plan. Highways England is responsible for operating, maintaining and improving the strategic road network (SRN) which in this location comprises the A35 which runs approximately 400m north of the plan area.

We were previously consulted on the pre-submission draft of the Plan in October 2020. Having reviewed the submission draft we remain satisfied that the plan's proposed policies are unlikely to result in development which would adversely affect the SRN and therefore we have no comments to make. However, this does not prejudice any future responses Highways England may make on site specific applications as they come forward through the planning process, and which will be considered by us on their merits under the prevailing policies at the time.

Kind regards,

Sally
