3. Please provide full details of your comments in respect of the Modification that you have identified and be as precise and succinct as possible.

The inclusion of the 10 pitch Gypsy and Traveller site as a cost that is not considered to be appropriate or suitable for equalisation is unjustified. As we set out in our August Hearing Statement on Viability the provision of the 10 pitch Gypsy and Traveller site is a plan wide issue necessary to make the plan sound through meeting the need for Gypsy and Traveller sites identified through the East Devon Local Plan 2016.

This issue is not specific to the Cobdens allocation, and could be accommodated in other locations within the plan area. Furthermore, as we have demonstrated and as accepted by EDDC at paragraph 28 of PSD45 there is a net cost to Persimmon of providing the Gypsy and Traveller site at Cobdens. As such we do not agree with EDDC's unjustified stance that these costs should not be equalised.

We also note that at paragraph 28 of PSD45 that the Council go onto to note that it is possible to equalise these costs. Failure to do so is unjustified and the Council offer no reason for not doing so, other than the fact that when initially preparing the policies they were did so under the apparent misconception that the provision of Gypsy and Traveller Sites would be similar to affordable housing and profitable for the developers hosting the provision. As we have shown the provision of Gypsy and Traveller sites is not profitable and instead is a cost. This is inconsistent with the approach taken to other plan wide costs and adversely affects the viability of the Cobdens site.

4. Please set out what modification(s) you consider necessary to make the "Cranbrook Plan Modifications" legally compliant or sound, having regard to the reference you have identified at Q1 above where this relates to soundness. You will need to say why this modification will make the Cranbrook Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Removal of the proposed text "10 pitch Gypsy and Traveller site" from the list of Cobdens costs not to be equalised and insertion of this in the Cateogry 3 costs for Cobdens.

This is required to ensure that the plan is justified and therefore sound in its approach to the equalisation of the provision of infrastructure that is site specific, but of benefit to the wider plan area.

**Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification.

**Representations by both post and email must be received by 5pm Monday 28 February 2022**
