Subject: Objection to Cranbrook expansion

Dear Counsellor Thomas,

I write to you as chair of the council to object to the development of Cranbrook and in particular development to the south of London Road.

I have summarised my concerns to you because understanding where to do so on the EDDC website is impossible.

- The expansion of Cranbrook was never planned to go south of London Rd.
- There is now a proposal to redraw the Rockbeare Parish boundary to include Cedar Court into Cranbrook to which we strongly object, not least because of the devaluation of our property when associated with a town that has, in The Times been rated one of the worst in the country.

I would welcome your comments on this expansion outside of the Cranbrook plan and outside of the Rockbeare Parish plan

Kind regards,

Janette Kirk-Willis
