Dear Angela,

Thank you for your email inviting us to comment on the submitted Regulation 16 Neighbourhood Plan for Luppitt. Since there was no desire to make specific site allocations for development, I note that we had very few comments at the Regulation 14 stage (08-06-21).

I can confirm that we do not wish to make any further comments at this stage. We commend the Neighbourhood Plan Steering Group for their hard work and commitment required to arrive at this stage in the planning process. We wish them well in the final stages of making the plan.

Kind Regards,

Alan
