### Question 1

To which section of the Neighbourhood Plan does this representation relate?

Please state in the box below, the point of reference for your representation (this means the policy, paragraph number or other reference as appropriate)

POLICY T2 Pedestrian & Cycle Bridge  
over the Waterloo Railway Line;

### Question 2

Please use the box below to explain why you are supporting or objecting to this part of the plan. If your comment relates to a specific area of land or site please identify it on a map if possible. Continue on a separate sheet if necessary.

I support the proposed bridge which would be of benefit to many local residents and visitors. The best answer would be the doubling of the platform at Cranbrook station together with a bridge over the Railway and access to the National Trust land via Wickford or Leiby farms. It has been stated that Cranbrook station is not the best place for a ~~new~~ passing loop but so plans have been put forward for a passing loop elsewhere & a passing loop at Cranbrook station would certainly facilitate the introduction of a half-hourly

**Question 3** 2 continued

Please use the box below to say what changes you would suggest should be made to the plan?

It will be helpful if you are able to put forward your suggested revised wording of any policy or text or suggested alternative policy boundary as appropriate. Please be as precise as possible and continue on a separate sheet if necessary.

Series. The compact at Cranbrook  
Station would facilitate access to the  
National Trust land for residents of Cranbrook.  
If the building of the bridge was combined  
with the building of a second platform  
and a passing loop, the overall cost  
would be much reduced and the necessary  
funding ~~now~~ would be obtained more cheaply  
and early.

**Question 4**

If your representation is seeking a change to the Plan, do you consider it necessary to speak at the examination?

Please note if you select 'No' your representation(s) will still be fully considered by the independent Planning Inspector by way of written representations.

Please select as appropriate:

- No, I do not wish to speak at the examination
- Yes, I wish to speak at the examination

If you have answered yes above and wish to speak at the examination, please outline in the box below why you consider this to be necessary:

Please note this will not be regarded as a binding decision but will help us in our planning of the examination. The Inspector will ultimately determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in the examination. If the Examiner does not consider it necessary to hold a public examination, consideration will be given by way of written representations.
