Thank you.

I would like to feed back that it would be an absolute shame if this area had houses built on it. It is regularly used by runners, dog walkers and cyclists - including myself. There are not many countryside areas with a proper foot path and this means that we can use it all year round. I moved to Axminster for areas such as this and may consider different villages to move to if this goes ahead as it has formed a bit part of my daily routine to visit there.

Thank you
