Dear Planning Policy,

### **Neighbourhood Area Application - Parish of West Hill**

Thank you for providing National Highways with the opportunity to comment on the proposed designation of the West Hill Parish area as a 'Neighbourhood Area' for neighbourhood planning purposes. We are responsible for operating, maintaining and improving the strategic road network (SRN) which in this instance consists of the A30 trunk road which runs approximately 70m west of the north western corner of the West Hill Parish area boundary.

National Highways has previously made representations to the Ottery St Mary and West Hill Neighbourhood Plan which we understand will require modification to remove the Parish of West Hill should the designation application be approved.

We have no objections to the proposed designation of West Hill Parish as a separate Neighbourhood Area and look forward to future consultation on associated Neighbourhood Plan in due course.

Kind regards,

Sally
