Subject: 500 homes

Categories: Reg.18 consultation

As a young resident of Lypstone (having lived here all my life), I feel strongly that 500 new homes should not be built. Lypstone is known for its beautiful scenery and proud Village community, however I believe this will be very much impacted by construction of these homes.

Additionally, the construction of these new homes will takeaway agricultural land and increase traffic affecting public transport which is already struggling.
