We object strongly to the inclusion of the sites to the North East of Exmouth (Exmo_04a, Lymp_09, Lymp_10, Lymp_14) in the local plan which are not sustainable. Instead plans to build a new community in the area North of Hill Barton should be accelerated and more housing sites identified in Exmouth within the towns existing Built Up Area Boundary.

We moved to Devon 20 years ago to enjoy the green fields and open spaces. It seems now that all the green spaces around Exmouth are being used for housing which takes away our wildlife and turns this beautiful area into just another urban conurbation. Please don't spoil our wonderful Devon countryside!
