Subject: Local Plan consultation

I have, via Commonplace submitted my comments. However, I now realise that the map I latterly was viewing gives me different information that I was previously rely upon.

Therefore I wish to amend my comments as follows -

Sidm_24: Land at Two Bridges Road (immediately north of the designated employment site), Sidford.

This site has previously been identified as a potential extension of the business park site next door; however, this site is not being pursued by the owners of the business park.

The development of this site would lead to the loss of agricultural land in the AONB. It would leave to the creeping coalescence of Sidbury and Sidford which is protected within the Sid Valley Neighbourhood Plan.

The use of this site for industrial purposes would add to the already congested roads through Sidbury and the School Street part of Sidford and this would impact negatively on these areas.

I do not support including this site in the Local Plan.
