UNSUCCESSFUL NOMINATIONS

Reference	Nominated Asset	Address of Asset	Nominating Group	Date of Decision	Reason for unsuccessful nomination
CA001	Magistrates Court	Lyme Close Axminster	Axminster Town Council	25 June 2013	The principle use of the land neither now, nor in the recent past, furthers the social wellbeing or cultural, recreational or sporting interests of the local community. It does not therefore meet the criteria set out in the Localism Act 2011 to be eligible for listing.
CA002	Police Station	Lyme Close Axminster	Axminster Town Council	25 June 2013	The principle use of the land neither now, nor in the recent past, furthers the social wellbeing or cultural, recreational or sporting interests of the local community. It does not therefore meet the criteria set out in the Localism Act 2011 to be eligible for listing.
CA005	Magistrates Court	Dowell Street Honiton	Honiton Community Church Trust	22 August 2013	The principle use of the land neither now, nor in the recent past, furthers the social wellbeing or cultural, recreational or sporting interests of the local community. It does not therefore meet the criteria set out in the Localism Act 2011 to be eligible for listing.
CA009	Winslade Park	Winslade Park Clyst St Mary	Bishop Clyst Parish Council	15 August 2014	In this case, the land is an ancillary use to the buildings so falls outside s88(1)(a) of the Act and it is also restricted by private land on all side with no direct public access. Under the Act the nominated asset does not constitute a community asset in the past or for the foreseeable future.
CA010	Methodist Church	Methodist Church Tower Street Exmouth	Centre Stage Exmouth	11 August 2014	The site and building does not fall into the category of a Community Asset under s88 of the Localism Act and therefore should not be listed.
CA011	St Saviours	Devon County Council Social Services (St Saviours)	Ottery St Mary Town Council	15 August 2014	The building or its use does not enhance for the social wellbeing or social interests of the residents of OSM now or the foreseeable future. For these reasons the site and building nominated does not fall into the category of a Community Asset under s88 of the Localism Act and therefore should not be listed.
CA012	Methodist Church	Tower Street Exmouth EX8 1NT	Centre Stage	11 August 2014	The building or its use does not enhance for the social wellbeing or social interests of the residents of Exmouth now or the foreseeable future. For these reasons the site and building nominated does not fall into the category of a Community Asset under s88 of the Localism Act and therefore should not be listed.
CA016	Knowle Park	Knowle Park Sidmouth EX10 8HL	Knowle Residents Association	18 May 2015	(a) an actual current use of the building or other land that is not an ancillary use furthers the social wellbeing or social interests of the local community, and (b) it is realistic to think that there can continue to be non-ancillary use of the building or other land which will further (whether or not in the same way) the social wellbeing or social interests of the local community.
CA020	Axminster Hospital	Chard road Axminster EX13 5DU	Axminster Town Council	17 th September 2015	However, if the hospital was closed and placed on the open market, the Town Council would certainly not have the resources to purchase or run it in its current form. The listing of this asset would serve no purpose and only delay the inevitable outcome for no good reason.

CA024	St John's Court	St Johns Road Exmouth EX8 4DD	Save St John's Court Project Group	7th July 2016	The main use of the property is offices and the 'care element' which may be considered as furthering the social wellbeing or social interest of the community, however, this does not come within the scope of the Localism Act.
CA038	Harbour View Cafe	Queen's Drive, Exmouth Devon EX8 2AY	Save Exmouth Seafront	6th May 2018	The facility is not unique in its position as the only café within the sea front as there are 9 other eating/drinking establishments along its length, ranging from The Point at the marina to Foxholes café and the Premier Inn café. Many like the Harbour View are dog friendly and all are in a better decorative order. The Harbour View is very much at the more affordable end of the market that said, its location is in one, if not the prime commercial position on the sea front. It is not unique as there are numerous other comparable café establishments which further the social wellbeing and interest of the local community and visitors alike.
CA039	Exmouth Fun Park	Land at Queens Drive (east of Ocean Building) Exmouth EX8 2AY	Save Exmouth Seafront	6th May 2018	The function of the Fun Park was a children's play area which may be considered as furthering the social wellbeing or social interest of the community, however, due to the age/size limitations of the facilities at the fun park it was not all inclusive to the community as it only catered for young children. There are now improved and inclusive areas for a wider spectrum of the community in the very near vicinity. If the former fun park site were to be sold or it was used for another purpose, it would not be to the detriment of the local community.
CA040	Seaton Hospital	Valley View Close, Seaton, Devon, EX12 2UU	Seaton Town Council	16 th October 2018	<p>The main use of the property is the 'care element' which may be considered as furthering the social wellbeing or social interest of the community, however, this does not come within the scope of the Localism Act. A plain English guide to the Localism Act, states:</p> <p>"Every town, village or neighbourhood is home to buildings or amenities that play a vital role in local life. They might include community centres, libraries, swimming pools, village shops, markets or pubs. Local life would not be the same without them, and if they are closed or sold into private use, it can be a real loss to the community."</p> <p>In this case the nominated asset does not fall into the category of a Community Asset under s88 of the Localism Act and therefore should not be listed.</p>
CA041	Honiton Hospital	Marlpits Lane, Honiton EX14 2DE	Honiton Town Council	30 July 2017	<p>The main use of the property is the 'care element' which may be considered as furthering the social wellbeing or social interest of the community, however, this does not come within the scope of the Localism Act. A plain English guide to the Localism Act, states:</p> <p>"Every town, village or neighbourhood is home to buildings or amenities that play a vital role in local life. CA042	Ottery St Mary Hospital	Keegan Close, Ottery St Mary,	OSM Town Council	14 August 2018	The main use of the property is the 'care element' which may be considered as furthering the social wellbeing or social interest of the community, however, this does not come within the scope of the Localism Act. A plain English guide

		EX11 1DN			<p>to the Localism Act, states:</p> <p>"Every town, village or neighbourhood is home to buildings or amenities that play a vital role in local life. Local life would not be the same without them, and if they are closed or sold into private use, it can be a real loss to the community."</p> <p>In this case the nominated asset does not fall into the category of a Community Asset under s88 of the Localism Act and therefore should not be listed.</p>
CA045	West Hill School Playing Field	Land at Beech Park, West Hill EX11 1UQ	West Hill Parish Council	10 December 2018	<p>The current status of the land preclude the land from being listed, it is not in regular use by the wider community and the occasional use does not fulfil the social wellbeing or social interests of the local community.</p> <p>The Judge and Chamber Presidents decision made it quite clear where this category of land sits in his opinion and over turned the district authority's decision to list the land. The school's head, has outlined for child safe guarding and a number of other reasons why the land is not used by the community and not likely to be for the future whilst under ownership of the school.</p> <p>The land is not used for the social wellbeing or social interests of the local community and for that reason, I confirm that the nominated asset should not be listed as an Asset of Community Value and will be added to the Council's list of unsuccessful nominated Assets of Community Value.</p>
C047	Glebe Field	Glebe Field Woodbury Salterton	Woodbury Salterton Residents Association	3 October 2019	<p>This area of land does not enhance the amenity and social wellbeing of those using the area and the site nominated does not fall into the category of a Community Asset under s88 of the Localism Act and therefore should not be listed.</p>
CA049	The George Inn	Chardstock Axminster EX13 7BX		25 th August 2020	<p>There is little evidence that the George Inn is the hub of the village and used for more than just being a licenced establishment. The Village Hall is very well used by previously mentioned groups and provides the hub for meetings and other gatherings. The owners have stated in the past few years trade has dwindled, partly due to the tenants, the use of the village hall, but also due the general decline in rural pub trade locally and nationally.</p> <p>The judge in the first tier tribunal of Hawthorne Leisure Ltd v Bracknell Forest Borough Council highlighted the fact that just because the public house was the last in the area it was not the hub of the community.</p> <p>This has been reinforced by the decision in Admiral Taverns Ltd. V Cheshire West and Chester Council and another ([2018] UKUT 15 (AAC)) in which the Upper Tribunal confirmed that "There was no presumption that a pub came within the listing provisions of the 2011 Act...". Simply stating that the property is a pub and thus must be listed is not an accurate or equitable use of the 2011 Act, which was enacted to protect communities who were (or are) at risk of losing an asset without which community social wellbeing would be damaged</p>
CA055	Cattle Market	Silver Street Honiton	Honiton Town Council	4 February 2022	<p>Section 88(1) of the 2011 Act will not apply as the Property is not currently being used for its intended purpose.</p>

					<p>Section 88 (2) (a) (b) states: a building or other land in a local authority's area that is not land of community value as a result of subsection (1) is land of community value if in the opinion of the local authority—</p> <p>(a) there is a time in the recent past when an actual use of the building or other and that was not an ancillary use furthered the social wellbeing or interests of the local community, and</p> <p>(b) it is realistic to think that there is a time in the next five years when there could be non-ancillary use of the building or other land that would further (whether or not in the same way as before) the social wellbeing or social interests of the local community.</p>
