Subject: Objection to EDDC Emerging Plan

Categories: Reg.18 consultation

Dear Sir

I wish to raise a strong objection to the **LP_Gitti_05** and **LP_Gitti_06** proposals. In writing this, I am in support of my Parish Councils' position that objects to the plans. The pressure on the local amenities and roads will be immense. Already Hayne Lane and Beech Walk face a tremendous increase in traffic on what are very minor roads. The availability of services such as schools and health facilities are already very stretched. Above all, this land is designated as AONB, which I believe precludes such development. How can areas of natural beauty be treated as housing land? Our quality of life in the village and in the rural surrounds will be very negatively affected. Please take our views and that of my Parish Council into account in your deliberations.

Thank you

Nick and Clare Chapman
