**Subject:** Re: OBJECTION TO BUILD 258 HOUSES IN EXMOUTH

**Categories:** Reg.18 consultation

Dear Sirs/Madams,

I would like to file my appeal against the building of 258 houses. Surely, we don't want another Goodmores.

Therefore, I object strongly to the inclusion of the sites to the North East of Exmouth (Exmo\_04a,Lymp\_09,Lymp\_10,Lymp\_14) in the Local Plan which are not sustainable. Instead, plans to build a new community in the area North of Hill Barton should be accelerated and more housing sites identified in Exmouth within the town's existing Built Up Area Boundary.

Additionally, Exmouth needs infrastructure to cater for the existing communities. Bypass is urgently needed, schools, medical facilities are struggling to cope right now, sewage system is under strain, wellbeing centres, more risk of flooding if these fields get covered in tarmac and concrete, the list goes on. I strongly urge you to consider the congestion of properties which will damage the beauty and attraction of Jurassic coast site.

Definitely, the proposed sites around us are clearly not the right place, therefore, I ask your office to look at this planning application considerably.

Thanking you,

Yours sincerely

Mrs. E Kissack
