Categories: Reg.18 consultation

Please refer to the attached which represents my objection to the proposed development at the Otter Valley Residential Park

I attended the meeting at the Beehive on Wednesday the 7th December 2022 but I am afraid it was a complete shambles for such an organisation as the East Devon Council to convey Residents objections to the Planning Committee.

Please advise your policy in accepting and scrutinising all the Residents objections. And what will be your reaction and results of these objections submitted.

Thank you

Derek Robertson
