Dear Sir or Madam,

I'm writing regarding the proposed building of more houses in the Parish of Lympstone. I would like to write why I don't think this idea

① Lower Lympstone is prone to flooding (look back to 29/9/60)

② The G.P.s and schools are overwhelmed all ready

③ Before you build new roads may I suggest you maintain the ones we have now

Yours Sincerely

[REDACTED] (MRS)
