- ❑ You must declare the nature of any personal or prejudicial interests in an item whenever it becomes apparent that you have an interest in the business being considered.
- ❑ Where you have a personal interest because the business relates to or is likely to affect a body of which you are a member or manager as an EDDC nominee or appointee, then you need only disclose that interest when (and if) you speak on the item. The same rule applies if you have a personal interest in relation to a body exercising functions of a public nature.

- ❑ If your interest is prejudicial you must leave the room unless you have obtained a dispensation from the Council's Standards Committee or where Para 12(2) of the Code can be applied. Para 12(2) allows a Member with a prejudicial interest to stay for the purpose of making representations, answering questions or giving evidence relating to the business but only at meetings where the public are also allowed to make representations. If you do remain, you must not exercise decision-making functions or seek to improperly influence the decision; you must leave the meeting room once you have made your representation.

***13 Minutes**

The minutes of the meeting of the Planning Inspections Committee held on 17 February 2012 were confirmed and signed as a true record.

***14 Application referred to the Planning Inspections Committee**

The Committee considered the application referred to it by the Development Management Committee.

- a) Axminster Town: Application No: 11/1992/FUL – Construction of 2no 2 bedroom apartments and 2no 2 bedroom houses and alterations to 2no existing flats to form single 2 bedroom dwelling, alterations to parking at communal areas at Land at Cedar Gardens

RESOLVED: that the application be REFUSED contrary to officer recommendation for the following reasons:

Reasons for Refusal

1. The proposed development would constitute an overdevelopment of the street frontage to Cedar Gardens reducing its open character, setting and original design concept and would be seriously detrimental to the character of Musbury Road which relies on both elements of openness and built frontages for its inherent character. The proposed development would therefore be contrary to Policy CO6(Quality of New Development) of the Devon Structure Plan 2001 to 2016 and Policies S4 (Development Within Built-Up Area Boundaries) and D1 (Design and Local Distinctiveness) of the adopted East Devon Local Plan 1995 to 2011.

*14 **Application referred to the Planning Inspections Committee**

- a) Axminster Town: Application No: 11/1992/FUL – Construction of 2no 2 bedroom apartments and 2no 2 bedroom houses and alterations to 2no existing flats to form single 2 bedroom dwelling, alterations to parking at communal areas at Land at Cedar Gardens continued...

- 2. The proposed development would appear cramped and as a result of the juxtaposition between the proposed development and Pennys Terrace, on the opposite side of the Musbury Road, would result in poor levels of amenity for occupiers of both the existing and proposed properties resulting in a significant loss of privacy and having an overbearing and oppressive impact contrary to Policy C6 (Quality of New Development) of the Devon Structure Plan 2001 to 2016 and Policies S4 (Development Within Built-Up Area Boundaries) and D1 (Design and Local Distinctiveness) of the adopted East Devon Local Plan 1995 to 2011.

Members resolved against the Officers' recommendation of approval for reasons relating to over development, loss of amenity to occupiers and residents of Pennys Terrace and that the development would have a detrimental impact on the character of Musbury Road, reducing the openness of the area.
