I strongly object to the inclusion of the sites to the north east of Exmouth (Exmouth\_04a,Lymp\_op,Lymp\_10,Lymo\_14) in the local plan, which are non sustainable. Instead plans to build a new community area north of Hill Barton should be accelerated and more housing sites identified in Exmouth within the towns existing built up area boundary. I sympathise with the need for more housing nationwide but uncontrolled housing expansion with out improving local services is not a sound plan. Please reconsider.
