6. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary.: I wish to be represented at the forthcoming public examination E.D.D.C, new local Plan? I attended nearly all of East Devon District Council strategic planning meetings since been elected in 2023 When it came to selection of individual sites for inclusion in the plan at those meetings, I was not allowed to comment or put my views forward and less they concerned Honiton Saint Michaels ward. The two counsellors for Honiton, Saint Paul's Ward do not live here One counsellor Lives in Ireland, the other one in Exmouth they seem to have no interest in Honiton at all. Honi 18. Which is in Saint Pauls Ward, strategic planning meeting 29th of October 2024 had no input from Honiton District, counsellors or town, counsellors or general public as this plan was sneaked in at regulation 19. Nobody knew about it before the meeting as it only came before the district Council in June, do look at this meeting on YouTube and you will see what I mean. I wish to register to speak public examination on all plans allocations for East Devon Particularly plans concerning Honiton. I also wish to register to speak about loss Of agricultural land in the whole of East Devon, including Newtown, marlcombe . Register to speak about lack of infrastructure ,Transport, accommodation for single people Education, Water cycle study report. Lastly, how difficult it has been to respond, I have spent many hours trying

to use commonplace I've not had any success. That's why I've had to do this email. I can't see public been able to understand common place. If I can't as a counsellor I'm sure members of the public will not be able to.
