Subject: East Devon District Council Draft Local Plan November 2022

Categories: Reg.18 consultation

As a resident of Marley Hayes within the area of the proposed development of another 258 homes on each side of the HULHAM road, I strongly object to the inclusion of the sites Exmo_04a, Lymp_09, Lymp_10, Lymp_14 in the draft local plan November 2022 in an area which is already congested, is served by inadequate road access, has no bus service and is clearly unsustainable.

Instead plans to develop a new community north of Hill Barton should be accelerated and more development sites identified in Exmouth within the town's existing Built Up Area Boundary.
