Dear Sir/Madam,

I have recently been made aware of the above development.

As a nearby resident with many friends in the town, and having worked at Lympstone for the past 13 years, I would like to say that I object strongly to the inclusion of the sites to the North East of Exmouth (Exmo_04a, Lymp_09, Lymp_10, Lymp_14) in the Local Plan which are not sustainable, in any measure.

Instead plans to build a new community in the area north of Hill Barton should be accelerated and to find more town centre sites in Exmouth, of which there are plenty. Lympstone is a precious and fragile community whose roads and infrastructure would be significantly adversely affected by this development.

Many thanks
