Sir/Madam,  
EMERGING LOCAL PLAN PUBLIC CONSULTATION – OBJECTION TO ALLOCATION  
LP\_Gitti\_05

I am writing to register objections to the above item as identified in the Emerging Local Plan consultation.

My objections are:

- The proposed development will have a detrimental impact on a conservation area and AONB
- The development is unnecessary for local housing needs and will merely encourage an influx of people which will add further pressure to overstretched public services in the area (especially health services)

Yours faithfully,

Neil Madden
