Dear Councillor,

Ref:- EDDC Local Plan Appendix 2
site detail: Settlement Hoviton

site ref. Number: GH/ED/39

site Address: Land South of Northcote Hill,
Hoviton.

I live at the address above. I have lived there for 13 years. I am 73 my husband is 86.

I am writing as I am not able to access your commonplace consultation web site.

I am writing to object about this proposed development as I think the amount of traffic it will bring will be unacceptable.

It's already difficult at times to exit Monkton Road onto the A35 due to cars parked right up to the corner which also leaves cars trying to enter Monkton Road vulnerable to the traffic behind them. The extra traffic will make this a very dangerous junction.

P.T.O

My other objection is the noise it will bring, during construction and after with families with children. We moved here because it was peaceful, no children allowed.

It is also going to be even more difficult to see a doctor than it already is, with 200 families trying to see a doctor it will be nigh on impossible.

Added to that, more countryside being lost to our already deminishing wildlife population.

Therefore, I ask you as my representative on EDDC to make my views known to the planning and policy committee.

I object to the building of this development.

Yours faithfully,

MRS
