Dear Sir/ madam,

We would just like to lodge a very strong objection at the planning proposal for an extra 258 house that are being planned in addition to the 317 houses already being built by Goodmores in Brixington. WE HAVE NOT GOT THE DOCTORS ,SCHOOLS OR ROADS TO COPE WITH ANY MORE people or traffic . Our service are all over subscribed already and under extreme pressure and the roads in and out of Exmouth in the morning and evenings are nose to tail traffic!!! On top of all that, these extra proposed houses will destroy even more of of lovely countryside and our wild life !!!!

We strongly object to the inclusion of the sites to the north East of Exmouth(Exmo\_04a,Lymp\_09,Lymp\_10,Lymp\_14)in the local plan which is not sustainable. Instead plans to build a new community in the area north of Hill Barton should be accelerated.

Yours  
Sheila and Richard Castle
