Dear Mr Mallett

The Richard Whiteway Memorial Ground Whimble

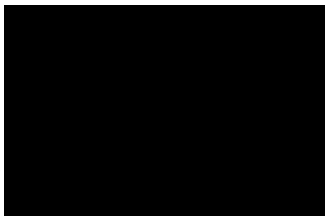

Councillor Moulding has asked me to respond to your letter to him of the 13th July 1999.

Having consulted with the Planning Department it would appear that the Richard Whiteway Memorial Ground, Whimble is designated as land of local landscape importance on the local plan.

Such areas are seen to be smaller areas of significant local amenity importance which the national or countrywide designations do not cover. Permission will not be granted for development on these areas except for recreational uses which retain the open character of the area.

This would seem to answer your query but please do not hesitate to contact me should you wish to discuss the matter further.

Yours sincerely

D J Pagett  
Amenities Officer
