

COMBE ESTATE
REPRESENTATIONS ON THE EAST DEVON LOCAL PLAN (2020 – 2042) REGULATION 19
CONSULTATION DRAFT (MARCH 2025) BY BELL CORNWELL LLP

INTRODUCTION

Combe Estate are long standing generational owner of large areas of agricultural and forestry land within East Devon. Their land interests are primarily in Honiton and Gittisham. As part of its interests, the Estate undertakes residential and commercial development and are the owners of Combe Garden Centre. The Estate therefore has a wide range of land and business interests within the district.

The Estate has provided representations to the Council as part of previous consultations on the draft local plan and via the related call for sites process.

Given the nature of their long-standing presence in the district, The Estate is an important local stakeholder with allocation interests within the proposals in the East Devon Local Plan for future development in the district.

Against this background, Bell Cornwell LLP has reviewed the policies and information set out in the East Devon Local Plan (2020 -2042) Regulation 19 Consultation Draft and makes the following representations.

CHAPTER 3. SPATIAL STRATEGY

Strategic Policy SP08: Phased Delivery of Infrastructure and Services

Strategic Policy SP08 includes a requirement for any developments to be brought forward in phases to be designed so that each phase or parcel provides pedestrian, cycling and vehicular access up to the boundaries of each development parcel/phase. Such developments shall also ensure that all services including electricity, water, sewerage, broadband and district heating services (where applicable) are also delivered up to the boundaries of each phase or parcel.

This is a sensible policy to include, which can give housebuilders flexibility to build in phase to deliver across the plan period. It will allow both above and below ground services and infrastructure link up between different parcels of phased developments to minimise disruption in the delivery of adjoining phases or parcels of land.
