Dear Sir,

We strongly object to the inclusion of the housing sites to the North East of Exmouth (Exmo-04a, Lymp-09, Lymp-10, Lymp-14) in the local plan which are not sustainable. Plans to build a new community in the Hill Barton area should be accelerated and more housing sites identified in Exmouth within the towns existing Built Up Area Boundary.

We understand more homes are needed but they should be in the right place and a greater number allocated for first time buyers only at affordable prices and the Devon Rule should apply to some aswell.

Once all our beautiful fields are gone they are gone for good along with all the wildlife that live there.

Having lived in Exmouth for over 40 years and my husband is Exmouth born and bred it is so sad to see our lovely town changing and not necessarily for the better.

Yours faithfully

Sue Long
