

Would you like to be involved in recruiting new housing staff?

Do you value customer service? Would you like the chance to put your skills to use? East Devon District Council is committed to involving tenants and leaseholders in housing staff recruitment. This is your chance to acknowledge the tenant viewpoint and help to recruit housing staff who are committed to customer focused services and tenant involvement.

Staff and tenants on the council’s **Recruitment and Selection Panel** are considered equal members of the recruitment process.

Training will be provided and support given. After your training, you will be invited to attend upcoming interviews. Transport can be provided or your mileage reimbursed if you use your own transport.
