Dear Sir

I object strongly to the inclusion of the sites to the North East of Exmouth (Exmo_04a, Lymp_09, Lymp_10, Lymp_14) in the Local Plan.

I believe that they are not sustainable as there are no provisions for the necessary supporting infrastructure in an area where essential services are already seriously stretched.

Instead, plans to build a new community in the area north of Hill Barton should be accelerated and more town centre sites for affordable development in Exmouth should be considered.

Regards

Michael Mold
