Please note the **assembly time of 8.50 am** in the Members Area, Knowle, for the visiting Members of the Planning Inspections Committee.

Yours faithfully,

MARK WILLIAMS

Chief Executive

Members of the public are welcome to attend and speak at this meeting provided they have entered their name against the relevant speaking sheet located near the entrance to the Council Chamber:

- The relevant Officer will introduce and outline the item to be discussed. The public will then be able to speak on that matter only.

Extra papers and/or handouts **cannot** be circulated at the meeting. There is a timing clock to assist you.
- Speakers should restrict their comments to planning considerations only.
- The Chairman has the right and discretion to control questions and irrelevant points being raised to avoid disruption, repetition and to make best use of the meeting time.

- Speakers are asked not to come to the microphone if their points have already been covered.
- After the public speaking period has finished the consideration of reports will begin and the public will take no further part in the meeting.
- All attendees at the meeting are asked to offer all speakers the courtesy of listening to others' points of view, even if they do not agree with it.
- The Chairman will not tolerate any interruptions from the public and is entitled to exclude people from the meeting if the business of the committee cannot be carried out effectively

- ❑ You must declare the nature of any personal or prejudicial interests in an item whenever it becomes apparent that you have an interest in the business being considered.
- ❑ Where you have a personal interest because the business relates to or is likely to affect a body of which you are a member or manager as an EDDC nominee or appointee, then you need only disclose that interest when (and if) you speak on the item. The same rule applies if you have a personal interest in relation to a body exercising functions of a public nature.
- ❑ Make sure you say the reason for your interest as this has to be included in the minutes.
- ❑ If your interest is prejudicial you must leave the room unless you have obtained a dispensation from the Council's Standards Committee or where Para 12(2) of the Code can be applied. Para 12(2) allows a Member with a prejudicial interest to stay for the purpose of making representations, answering questions or giving evidence relating to the business but only at meetings where the public are also allowed to make representations. If you do remain, you must not exercise decision-making functions or seek to improperly influence the decision; you must leave the meeting room once you have made your representation.
- ❑ You also need to declare when you are subject to the party whip before the matter is discussed.
