E. D. D. C. Planning Dept.,
Blackdown House,
Barder Road,
Heathpark Industrial Estate,
Hoxton EX14 1ES.

Dear Sir / Madam

Re: East Devon Local Plan (Lymington)

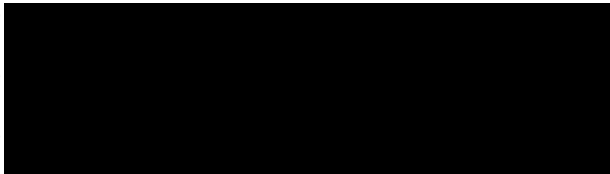

Why do we wish to ruin what is left of Lymington and Exmouth with more houses planned for the top of Hutton Road (above Sander Brake). Good ^{money} ~~money~~ is a disgrace with the loss of habitat to wild life. Rewilding apparently does not exist here.

~~The~~ water is streaming down Hutton Rd. and adjacent fields (from the Common), ending up in Exmouth and Lymington. Ponds have now gone, and protected trees on the edge of Hutton Rd. are being eroded by the constant ~~stream~~ of traffic. Further housing developments in this area will create more traffic, more pollution and more flooding.

P.T.O.

Please listen to the local people.
Our roads, Doctors' surgeries etc. are
already overloaded. Please keep building
to existing sites and not on the "green
belt."

Yours sincerely,

(Mrs)
