

11 Jan 2023

Dear Sir,

I see further houses are planned on the outskirts of Whimble, in addition to the 500 already approved between Cobden Lane and the village.

Apart from making a plea that a green belt is kept around Whimble, I would ask, that, if possible you keep development away from the Church Cemetery up Grove Road. At present, it is a lovely peaceful spot surrounded by fields & trees, where village people go to put flowers on the graves of their loved ones.

Yours Sincerely
