Categories: Reg.18 consultation

We as a family object strongly to the inclusion of the sites to the North East of Exmouth (Exmo_04a, Lymp_09, Lymp_10, Lymp_14) in the Local Plan which are not sustainable. Instead plans to build a new community in the area north of Hill Barton should be accelerated and to find more town centre sites in Exmouth.

There is already too much destruction of natural habitats and our countryside. Green belts are being obliterated. Houses are being built for non Devon residents rather than solving the existing housing issues for locals . The town needs developing with flats and old run down buildings done up for residential use.

**Dinan way is overdeveloped with no infrastructure and too much traffic as it is.
Stop destroying out beautiful town and start caring about the future.**

Very disgruntled Culliford's of [REDACTED]
