Dont make me laugh, what are you thinking about!!!!

We cant find schools, doctors,dentist, safe local roads, flood prevention schemes, sewage systems which don't pollute our rivers now and you seem to want to concreting over half of east Devon destroying good farm land to satisfy your ego.

Where will all these people work - I know - concrete over another 100 acres and build industrial units

Please stop showing pictures of East Devon with thatched cottages in pretty villages because your aim is to destroy them all just to pander to Government plans. Grow up and learn to say NO MORE.

Take a look at Cranbrook with all its problems. Have you not learnt
