**I object strongly to the inclusion of the sites to the North East of Exmouth (Exmo\_04a, Lymp\_09, Lymp\_10, Lymp\_14) in the Local Plan which are not sustainable. Instead plans to build a new community in the area north of Hill Barton should be accelerated and to find more town centre sites in Exmouth.**

Exmouth does not have the infrastructure to cope with this number of additional houses. Not enough school places, not enough GPs, not enough NHS dentists(waiting lists lasting years just to register), not enough jobs, an outdated town centre & outdated hospital facilities.

Kind Regards
